Dear Colleagues

RESPONSE TO THE DEFERRAL OF THE HEQSF-ALIGNMENT AND ACCREDITATION

HEQSF review comment

"The institution should submit separate MA programmes with qualifiers for each of the different areas of specialisation."

Response to Accreditation Panel's comment:

This qualification is a Master's Degree of 180 credits devoted coursework and a mini-dissertation. These are complied with according to institutional policy, the General Rules for First Qualifications, Postgraduate Diplomas, Bachelor Honours Degrees, Master's Degrees, Doctoral Degrees, Higher Doctorates, Honorary Degrees and Convocation, Rules for Postgraduate study and those of the Faculty of Humanities. The Faculty Board approved this ONE qualification on 25 May 2014 for submission to the HEQC under Category B, and is approved as one programme on the PQM.

It was difficult to express how the curriculum design is implemented and managed on the prescribed HEQSF-online format. Because the upload did not allow us to indicate a module as a compulsory "field selection module" as well as the fact that the total tally at the end of the modular section will not reflect how the curriculum worked, it was loaded as electives. No space was provided to specify what module belongs to which specialisation and that a student needs to select one compulsory module according to the desired field of specialisation.

With the table below we wish to clarify the choice of specialisation:
