Diploma in Photography (3203010)

The design of the Diploma in Photography has been successfully aligned to the HEQSF in as far as that it complies with the description of a Diploma as given in the Government Gazette No 34883. The title of the Diploma in Photography is in line with the prescript of the mentioned Government Gazette and includes qualifiers to a maximum of two and **no designator** as this does not apply to a Diploma.

The intended purpose of this Diploma is to give the successful student a professional, vocational and sound understanding of the general theoretical principles and their applications in the field of Photography and its association with the broader concepts of media production.
