Dear Dr Mabovula,

RE: Qualification reference Advanced Diploma in Tourism Management (80147)

This communiqué serves to inform your office that the department of (Tourism, Hospitality and Sport) agreed to phase out Baccalereues Technologie: Tourism Management and replace with (Advanced Diploma: Tourism Management) by 31 December 2017. This program is situated under category C in terms of HEQSF.

The decision is a culmination of the departmental deliberations wherein the programme was deemed to have limitation with regard to vertical articulation. The department resolved to adopt the Advanced Diploma route as it will enable the students to further their studies anywhere they find themselves around the global spectrum.

The National Diploma: (Tourism Management) will remain unchanged due to the fact that it remains relevant to the industry.

We hope you will find this submission in order.

Yours sincerely,

Mr Siyabonga Mxunyelwa (Acting HoD)

Walter Sisulu University

Acting Dean:
Dr. D. Vallabh
