Dear Colleagues

RESPONSE TO THE DEFERRAL OF THE HEQSF-ALIGNMENT AND ACCREDITATION

HEQSF review comment

"This is a coursework masters degree. The curriculum design needs to be reviewed to ensure that the total credits for the required number of elective and compulsory modules is 180."

RESPONSE

The UFS wishes to have this programme re-categorised to C and propose the teach-out-date of 01 January 2019.

The reason for this decision is that the current Master of Arts, both variants (by dissertation or coursework) can accommodate Language Practice as the major field of study under the CESM 1101 (Linguistics). This major field of study is already on the UFS ministerial PQM included as major field of study for the MA.

Thank you and kind regards

Ms SJ Paulse
