

2015/11/06

Dear Dr Mabovula,

**Teach-out plan for BSc Hons (Zoology)**

Please be informed that the department of Biological and Environmental Sciences (within the Faculty of Natural Sciences) agreed to a teach-out plan of its current BSc Hons (Zoology) by 31 December 2017.

The scope of this programme is too narrow as it is limited mainly to ecology module. The department would like to restructure this programme as soon as possible and submit it for approval as outlined in the attached departmental minutes.

The decision to teach-out the BSc Hons (Zoology) and restructure it to encompass a broader spectrum of Zoology is supported by the Faculty of Natural Sciences.

Yours sincerely

Prof ND Jumbam
