Dear Prof Naidoo

**RE: TUT RESPONSE FOR DIPLOMA IN HOSPITALITY MANAGEMENT ACCREDITATION DEFERRAL**

The Department of Hospitality Management at the Faculty of Management Sciences of the Tshwane University of Technology has taken note of the inconsistency found in the submission and wishes to offer the following explanation.

**CONCERN**

*The curriculum design issues need to be addressed with regard to module credits as well as the credits for WIL.*

**RESPONSE TO CONCERN**

There are 3 modules in this qualification which consists of Work Integrated Learning activities. Two of them are fully completed by students placed in the workplace, which are: **WIL in Hospitality Management II (30 credits)** and **WIL in Hospitality Management III (60 credits)**.

---

We empower people

The module **Food and Beverage Studies II (37, 5 credits)** is partially completed through **contact lessons (7, 5 credits/75 hours)** and partially completed through **WIL (30 credits/300 hours)** activities by students placed in the workplace.

The total WIL credits for the qualification are **120 credits**.

The issue of **366 credits vs 360 credits** is a result of the CHE rounding up where credits were expressed with decimals. Below is the original credit breakdown for the Diploma in Hospitality Management showing some modules with credits expressed in decimal format.
